

Friday 22nd May

Good Morning Class 5!

This is your final day of School@Home before we have a break for half-term. It would be great if you could tune into **LEARNERS OF THE WEEK – LIVE! this afternoon at 1.30**. Mr Ruffle and I will be broadcasting and wishing everybody a happy half-term.

Here is today's learning:

PE

As usual, start off your day with a morning workout, or if you need a shakeup halfway through your day. Joe Wicks (The Body Coach) is still doing daily live work outs at 9am for children to keep fit and healthy.

Every Day Counts

Number 22 – you know what to do!

Maths No Problem – Chapter 11 Lesson 14

All of the slides for this lesson are on Classroom. You should work through these (including the guided practice), then do the worksheet for this lesson in your usual book.

Reading

Here we go – the **FINAL chapter** of 'Simply the Quest'! How will it all end for Elliot, Virgo, Josie and the Gods?

English

I hope you have enjoyed working on poetry again this week. Today, it would be great for you to **publish your favourite poem from this week** – either your one about the tree (based on 'The Writer of this Poem') or your one about the Earth (based on 'Message to the Moon'). If you've already typed it on Google Docs, you could add some pictures or change the font to make it more interesting. I will be reading at least two poems in the live worship today!

R.E.

Please read through '**People of God 4**' today to continue your R.E. learning. As there is lots to get through this week I have not set specific tasks linked to the slides, but if you are inspired there is of course no stopping you – I would love to see anything which you do.

Have a great day!

Mr Croutear
