# Lesson 7: Chapter consolidation.

## Lesson Approach

### Mind Workout

Ask pupils to match each of the characters to the time they left for school based on the given information. Ask them to explain their reasoning.

### Maths Journal

Ask pupils to talk about what they do on a Saturday and show the times on a clock to illustrate. Then ask them to complete the timetable.

### Self Check

Complete this with pupils as a chapter summary and determine if any pupils need extra support.

## Mind Workout

Match.

Ravi

Charles

Holly

Reading for pleasure: 30 mins

Literacy:

Reading: Re-read 'Superheroes-All sorts' from yesterday.

I would like you to read the questions carefully and say what you think the answer is.

Next, answer the rest of the questions.

This will also be your writing task as there are quite a lot of questions.

## Seven Super Questions

1. Which superhero in the story wears a red skirt and has yellow legs?

---

2. Which superhero is the opposite of the fat superhero?

---

3. Write two other pairs of opposites used in the story.

\_\_\_\_\_ and \_\_\_\_\_

\_\_\_\_\_ and \_\_\_\_\_

4. Name two places where we are told that there are superheroes.

\_\_\_\_\_ and \_\_\_\_\_

5. What is a plumber?

---

6. What does it mean when it says that superheroes '*come in all shapes and sizes*'?

---

7. Look at the superhero who is described in the story as 'short'. What sort of 'superheroic' things might the short superhero get up to?

---

---

## Project: Art

Today you will be challenged to make a self portrait using recycled or natural materials. This can be made from anything you want!

If you do not get this done today (or want some planning time) that is fine! You might want to complete this over the weekend.
