

Wednesday 10th June

Good morning Class 5!

Firstly, sorry about the chapter of 'Evie & the Animals' yesterday – the video file was faulty, It's back today!

Your Wednesday learning is below as usual, and don't forget that we have our **Zoom worship at 2.25 today!** I hope to see you then.

Every Day Counts

It is the number 10 today, which is a really nice one to work with!

Maths No Problem – Chapter 12 Lesson 6

The focus today is on measuring the area of squares. I think you will find this quite straightforward, so if you have some spare time you can carry on with your bedroom design challenge.

English

It's **page 25** of your booklet, in which you plan your information text. Make sure you do this properly and thoroughly so that you can do a great job with your writing tomorrow.

Reading

The next chapter of '*Evie & the Animals*' is ready! Don't worry – the Wednesday chapter is what should have been posted yesterday so you have not missed one.

In the afternoon, you can continue the '**Design your Dream Bedroom**' challenge, or have a go at **Mrs Clapcott's art** (and of course **Times Tables Rockstars**).

Have a great day!

Mr Croutear
