

Tuesday 14th July

Good Morning Class 5!

Hooray! After months of waiting, it is time for most of the class to finally **return to school**. Even though it's only an hour and a half, we will make the most of it and enjoy our time together. I've made a special film with photos and music of our two terms together in Class 5. See you there!

Maths – END OF YEAR REVISION

Please carry on with your end-of-year revision pages in the MNP workbook. Today I am suggesting you do **pages 197-200** to be on course to have finished by Friday. If you want to race ahead, then of course you can!

English

The picture book 'The Rhythm of the Rain' is one which I hope will inspire you to do some creative writing. Ideas are posted on the assignment. Did you see the poem which Cece put onto the Class Stream? Why not write a poem of your own?

Reading

There are no new chapters uploaded today, but if you are coming in to school later for the goodbye session then make sure you have listened to the Monday 1 & Monday 2 recordings as I will be reading to you from that point and finishing the book! The final pages will be uploaded before the end of the week for the rest of you.

French

Bonjour! Or should it be 'au revoir', as it is the final lesson from our favourite Frenchman, Monsieur Kevin. This week the learning is about summer activities (les vacances). Links and activities are on Classroom.

Have a great day and I will see some of you later!
