

## **Tuesday 7<sup>th</sup> July**

Good Morning Class 5!

Arts Week is well under way and I hope your creative juices are flowing! Certainly around school I've seen lots of projects beginning around the various pods. I can't wait for photos of Class 5 from home to begin flowing in to the Helpdesk or on Classroom.

Of course Arts Week continues today, but as it is Tuesday some French has appeared from our favourite Frenchman, Monsieur Kevin. No Spelling practice today as we have finished for the term, so you can get straight on with your maths and have more time for art!

### **Maths No Problem – Chapter 13 REVIEW**

Today please go straight to the review section of Chapter 13 in your workbook **(p.178-180)** and work through this. The answers are posted on the slides.

### **Reading**

The next chapter of 'Evie & the Animals' is online. This is a really long chapter mainly featuring me reading out missing animal posters!

### **English**

Please do **page 18** of your booklet, which asks you to write the advert for your wizard school.

### **French**

Monsieur Kevin would like you to learn how to speak about different countries in French (les pays). This fits in really well with our Arts Week, which is a celebration of our 'One World'. The links and an activity are on Classroom as usual.

Have a great day!

Mr Croutear
