

Wednesday 15th July

Good Morning Class 5!

It was great to see so many of you yesterday, I really enjoyed both of the 'goodbye' sessions. Playing **the pirate game** was such fun – I have uploaded it to Google Classroom in case you wanted to play it with your family/friends over the summer.

I would also like to say a huge **thank you** for the lovely cards and presents given to me, especially the John Lewis voucher which was very kind. I will enjoy shopping with it over the summer (Edgar will be pleased).

This is **the last School@Home letter** I will be posting to the blog, as yesterday really felt like the end of term for our class – although I know a few of the keyworker group are in until Friday. As I didn't have time to read the final pages of 'Evie & the Animals' to either group yesterday, I am sure you'll all want to listen to the end, so you will find the video on Classroom. Remember, you do need to get your **Maths revision pages** finished by the end of the week.

Finally, I've also posted to Classroom **the video slideshow** which I showed to the groups in school yesterday, so that you can all enjoy it.

It's been a memorable year, two great terms together and then another connected virtually. I will certainly always remember you guys as my 'lockdown class'! Have a super summer and I'll see you again in September when you return as Year 6.

Mr Croutear
