

Wednesday 8th July

Good Morning Class 5!

The Chapter 13 review from yesterday featured a couple of really tricky word problems and I've had some questions about them so have **recorded a video** explaining how to tackle Questions 4 & 5. They are posted in the Maths assignment on Google Classroom so please do watch them.

I hope that your Arts Week is going well!

Maths No Problem – Chapter 14 Lesson 1

Today we begin the **FINAL chapter** of our Class 5 Maths No Problem programme! It's on Roman Numerals and is the shortest chapter in the workbook. Lesson 1 today.

Reading

The next chapters of 'Evie & the Animals' are online. I am reading two a day for the rest of the week!

English

Please do **pages 19-21** of your booklet, which asks you to write a newspaper report. This is a genre of writing which we last encountered during Black Gold, when we were doing newspaper reports on famous oil disasters. Hopefully you can recall some of the key skills needed!

Arts Week – Investigate the Artworks

I would like you to look at the slides in the Arts Week assignment called 'Investigate the Artworks' and learn about three modern pieces of art work. There are a number of questions for you to think about and I would love to read your responses on Google Classroom.

Have a great day!
