

★ **Wednesday 8<sup>th</sup> July.**

★ Good morning! I hope you are all well! Here is your joke for today: *How do you get a squirrel to like you?*

★ - *Act like a nut!*

★ **Phonics: phase 5: ea and ey.**

★ **Watch the following video to revise the sounds:** <https://www.youtube.com/watch?v=nFGBy8uDnjl>

★ Children to write the following words independently:

★ Tea

★ Bead

★ Teach

★ Dream

★

★

★ Monkey

★ honey

★ turkey

★

★

★

★

★

★

★

★

★

★

★

★

★

★

# Maths:

## One More, One Less

### Notes and Guidance

Children find one more and one less than given numbers or amounts to 100

Children use concrete materials and physically add 1 more or take 1 away before moving to more abstract methods such as number tracks or hundred squares.

### Mathematical Talk

- Do we need to add more or take some away?
- How can we represent this?
- How many tens were there? How many tens are there now?
- How many ones were there? How many ones are there now?
- Which place value column changes when finding 1 more and 1 less?
- What happens when I find 1 more than a number with 9 ones?
- What happens when I find 1 less than a number with 1 one?

### Varied Fluency

- Use manipulatives and ask children to show one more and one less than the given amounts.

- Complete the missing numbers.

- Use the number cards to make 2 digit numbers. Now write down one more and one less than the numbers you have made. Use equipment if needed.

# One More, One Less

## Reasoning and Problem Solving

Can you move two of the counters so Rosie has 1 more than Alex and Whitney has 1 less than Alex?

Alex

Rosie

Whitney

**Always, Sometimes or Never True?**

When finding 1 less than a number, the tens digit of the number stays the same.

Dora started with this number.

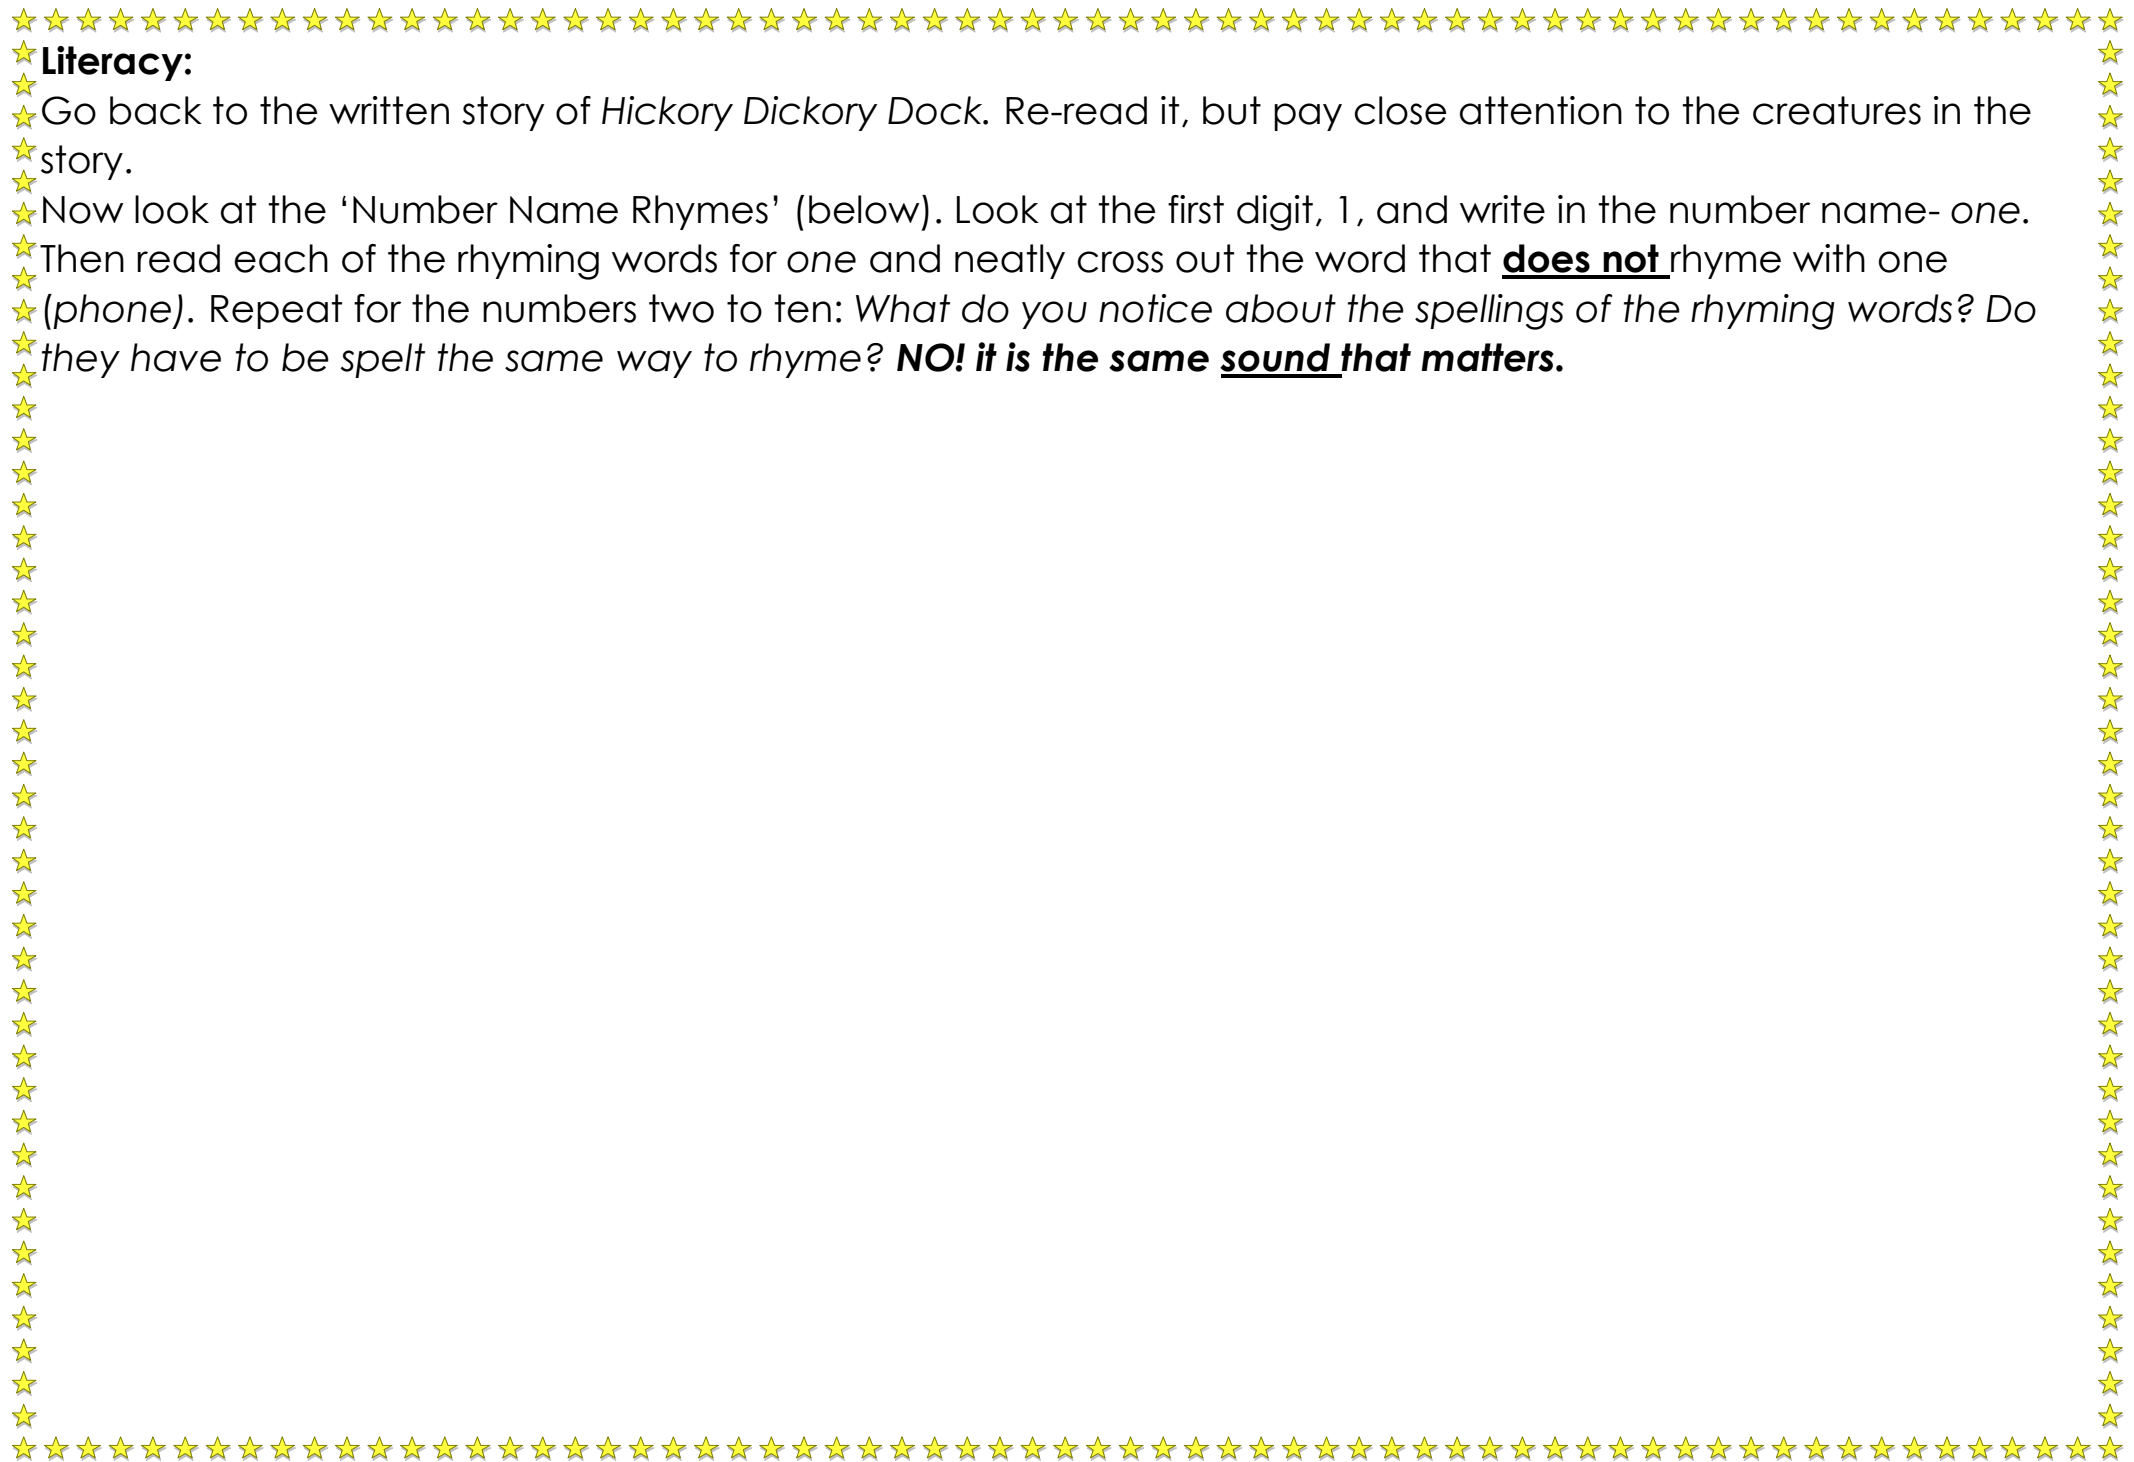

I am going to find one more.

Has Dora shown the correct amount?  
Explain how you know.

Reading for pleasure.

★ **Literacy:**

★ Go back to the written story of *Hickory Dickory Dock*. Re-read it, but pay close attention to the creatures in the story.

★ Now look at the 'Number Name Rhymes' (below). Look at the first digit, 1, and write in the number name- one.

★ Then read each of the rhyming words for one and neatly cross out the word that **does not** rhyme with one (phone). Repeat for the numbers two to ten: *What do you notice about the spellings of the rhyming words? Do they have to be spelt the same way to rhyme? **NO! it is the same sound that matters.***

Number Name Rhymes

Digit	Number name	Rhymes
1	<i>one</i>	done, phone, fun, sun
2		shoe, flew, bow, true
3		my, free, key, see
4		claw, far, door, more
5		hive, life, dive, alive
6		mix, tricks, fix, sack
7		Devon, send, heaven
8		gate, eggs, wait, late
9		mine, line, fine, name
10		then, again, ted, den
11		heaven, wing, Devon
12		delve, elf, shelf, calf

Now for each number, add as many further rhymes of your own as you can. If you're stuck, use <https://www.poetry4kids.com/rhymes/> to help you. Add at least two rhymes to every number except 7 and 11. **Keep your page of rhymes for tomorrow!**

**Spelling: Practise spelling your words in your fanciest handwriting, it might be dot to dot writing or flowery writing.**

### **Adding s or es to words**

If the end of a word sounds like 's', we add an 's' to make it plural. If it sounds like 'ez' and adds an extra syllable, we spell it with 'es'.

spends

rocks

thanks

catches

fetches

riches

messes

boxes

don't

old

Project: Remember it's Arts week! You can choose whatever country you like! Remember to have a look at Mrs Clapcott's video. She has AMAZING ideas. The Year Ones at school will be trying to make some huts. You may want to try this too.

It is also Diversity and Culture week, you may want to watch the following video:

<https://www.youtube.com/watch?v=yyWLWtI7jMg>

Which is all about different cultures. Maybe you could choose a country that you thought was the most interesting and use the internet safely to do some research about that country.

**REMEMBER TO HAVE FUN!**
